Want to Increase Your Business?

*It's Whom We know
That makes Your Business grow*

We, the members of the Pasadena-Arcadia Networking Group (PAN), invite you to come visit us at Conrad's Restaurant in Pasadena on any Thursday morning from 7:00-8:30am. Learn how referral marketing partnerships can be the key to your business success. PAN is an unaffiliated networking group which offers all the advantages of the larger organizations with none of the big financial drawbacks.

Many of the larger organizations ask for an up front cash outlay of more than six times what we ask, and that's before you start reaping the benefits from your association with the organization. Currently our registration fee is \$75 with annual membership dues* thereafter at \$75. Meeting dues are \$50/mo, which are payable quarterly, but may be paid semiannually if the member prefers. The big difference is that we don't ask you to support a large, national organization of administrators. What you pay here goes directly to pay for the forms we use, membership perks and local advertising.

We are for the small-business person who knows the advantages of building relationships with other businesses of good reputation and offering quality products and services.

Like other referral organizations, we require an attendance commitment. We suggest that you think of your networking meeting as a weekly business meeting. That's what it is. If you are not there, you miss your opportunity to gain business and the other members lose your referral opportunities.

**(Annual dues may be waived at the discretion of the leadership team)*

Meets Every Thursday Morning, 7-8:30a
